

**Greenspring Quarry Association**  
**Master Board Document Email Distribution Opt-In**

The Greenspring Quarry Association, Inc. (aka Master Board) is required to distribute certain official documents to all owners. These documents are sent via the US Postal Service unless an owner agrees (opts in) to receive official documents via email and has an email address on file with the Master Board property management company. This choice of electronic transmission is provided in the Rule “*Authorizing Electronic Transmission of Information, Notices of Meetings, and Electronic Submission of Votes or Proxies*” dated September 27, 2018 and recorded in the Homeowner Association Records of Baltimore County, MD, on March 5, 2019, liber 59, folio 106-108.

If you agree (Opt-In) to receive Master Board official documents via email, please fill in and sign this form and submit as indicated below.

The Master Board, on occasion, sends out notices that are usually time-dependent (such as: construction work being done, special community gathering, etc.). These notices are only sent to owners who have an email address on file.

I (We) agree to have Master Board official documents sent to me (us) via email rather than US Postal Service. I (We) understand this will also authorize me (us) to receive Master Board time-dependent notices that are only sent via email:
